

My Flight Trip Registers 1 Million Happy Guests, Eyes Sale Surge in FY2025

Noida, India, 01st April 2024: My Flight Trip is witnessing an upward trend in the number of travel bookings post-Covid-19 hit that has left the Travel & Tourism industry unapologetically exposed. With a notable rise in guest bookings, the company is celebrating a remarkable comeback from the pandemic hit. This is fueled by new travel enthusiasts who prefer the company's tailored travel solutions along with a loyal guest base drawn to the company's commitment to personalized service, reliability, and convenience, establishing trust and loyalty among travelers worldwide.

Having initially focused on the international inbound market, My Flight Trip expanded its reach in 2022 to include the domestic travel industry, catering to Indian guests.

The company's dedication to excellence has earned recognition from **the Ministry of Tourism** and **the Ministry of MSME**. It is an esteemed member of the **Indian Association of Tour Operators (IATO)** and was recently registered under the **National Integrated Database of Hospitality Industry (NIDHI)** by **the Ministry of Tourism**.

Mr. Sunil Kumar, Co-Founder of My Flight Trip states, *"The Covid hit has given a major setback to the industry but the travelers are now more excited than ever. We have noted a substantial rise in inquiries and bookings and are anticipating a big turnover this year. Since our establishment, we have remained steadfast in our dedication to providing unparalleled travel experiences, and this achievement reaffirms our stronghold in the industry. We are planning to forge strategic partnerships with industry stakeholders to foster innovation, sustainability, and mutual growth."*

In tune with the pulse of travelers seeking unique experiences and off-beat destinations, My Flight Trip is set to unveil [500 exclusive tours](#) this year catering specifically to these demands. These tours will include interesting activities like Nature walk tours, Astro tours, Bollywood tours, Tollywood tours, Dance tours, Nightlife tours, Village tours, Yoga retreats, Wellness tours, Nightlife tours, Food tours, Shopping tours, India tours by train along with MFT's regular activities like Short tours, Day excursions, Fixed departure tours, etc. In addition to this, the company is also introducing Luxury Royal Trains Tours featuring journeys with the Maharaja Express and Golden Chariot.

As part of its strategic expansion, My Flight Trip will also be venturing into new destinations and routes. Currently, it is providing transfers to 70 airports and will be adding **30 more routes** by mid-year, providing travelers with an even wider range of choices. **Recently, it has also launched a cutting-edge B2B platform, aimed at catering to the corporate & business travel sections, and plans to integrate Home Based Agents and Sub Agents, to further strengthen its network. With ongoing investments in technology and guest services, the company ensures an unparalleled travel experience that exceeds expectations.**

With these strategic growth plans, My Flight Trip reaffirms its commitment to delivering exceptional travel experiences and shaping the future of the travel & tourism industry. As the company sets on its next chapter of growth, it extends its heartfelt gratitude to its valued guests, partners, and employees for their unwavering support and dedication.
